Once accepted, vendors can display and sell those items described in their original application. Changes to saleable items and any activities are to be approved by the market management team. Failure to receive such approval may result in removal from market, without refund.

The Jury Process

Vendor applications go through a jurying process to ensure quality of vendors and overall event success. We believe a strong market is made of high level vendors who support one another and showcase local talents.

Criteria for jurying and selection is as follows:

- Preference is given to local (regional) vendors.
- Resale, imported items, and multi-level marketing groups will not be accepted.
- Applicants may be asked to submit photos of the items they are selling to help with the jury process. Some vendors may meet all requirements but conflict with other vendors. In the interest of viable market vendors, multiples may not be accepted. These applications will be filtered on a first come first serve basis.
- Vendors assume full responsibility for the products they market and sell, Farmers Market Ogden will be held harmless against any claim of injury or damage by any buyer, seller, or other persons resulting from the use, consumption, display, or marketing of vendors' products.
- Vendors are responsible to provide their own booth, table, shade/canopy. Selected vendors will receive a 10x10' space within which to display their goods. All displays/booths must stay within the designated space. Failure to comply with placement may result in additional fees and/or expulsion from market, at the sole discretion of market staff.
- Farmers Market Ogden is not a forum for political, commercial, or religious organizations to recruit, market and/or advertise. No political, commercial or religious vendors will be accepted into the Farmers Market.

A Special Event Temporary Business License from Ogden City is required for all vendors. **The business license fee is collected as part of the registration fee and will be paid to the city on your behalf.** There are two options for this required license: The required license is \$25.00. Nonprofits are the same rate, regardless of selling or not selling items.

Why it's important

We want everyone, including our vendors, to have the most enjoyable and successful event as possible. We truly believe that vendors are the most important part of the event and these guidelines help ensure that we are being fair to all of our vendors in maintaining a high-quality event, reducing overlapping vendors and providing a strong market program.
